5 The establishment in the Gumbuz consists of 50 persons 15 of whom are in the superior service and 35 menials. Its annual cost is Rs 5509 exclusive of the garden establishment which costs Rs 1200/- a year. It is understood that the Deputy Commissioner is submitting proposals for the revision of the establishment to the Muzrai Commissioner. It seems possible to give some increases of pay from the present income of the Gumbuz by affecting small reduction in other directions. The Muzrai Commissioner may, if approved, be asked to expedite the proposals.

7. I understand from the D.C. Mysore that his final proposals in the matter of revision of the Gumbuz establishment are under submission to the Chief Commr. who may be requested to send up his recommendations early.

From the Muz: Comr., letter no. C. 780
of 26-7-26

Forwards Dr: Comr's proposals for
fixing a revised scale of ^{income &} expense
in the Qumbaz, Masjid-i-ala & other
minor masjids at Seringapatam -

12 The revision proposals were called
for in this office no. (Camp) 1 Muz: 5/12-10-26.

13. The last revision was sanctioned in G.O.

no. 3882-804/Muz 587 18-3-26.

According to this, the income was estimated
at Rs 13730-11-9, though the actual income
was Rs 14,369-14-8. The reason for taking
the income at the former figure, as stated
by the then Muz: Supdt is as follows:-

"The interest of Rs 700 from invest-
~~and Rs 600 from the garden~~ will be con-
siderably diminished when the thorough
repairs of all the buildings are taken
up for which a rough estimate of
Rs 25000 has already been prepared. The
garden income is fluctuating from year
to year & cannot wholly be depended on.
We may safely put the income at
Rs 13,730."

14. The D.C. has taken into account the
entire income viz Rs 698-4-0 from invest-
ments against Rs 200 for the reasons,
1) that certain parts of the building

were repaired subsequent to the minor in June 19, & the cost met from the general funds; (2) that the remainder, if any, would be carried out & the cost met from the available funds & the credit of the institution is Rs 24/11 on 30.6.26, as per Dalul account. —

15 The existing provision under stabl is stated to be Rs 5,376, excluding the garden establ of Rs 708 since transferred to Gardens Dept. The amounts men in the sancte scale are $4464 + 2328 = 6792$ and deducting Rs 708 of Gardens establ, the balance is Rs 6084. So, it is how the existing provision is stated to be Rs 5376. — Rs 6084 is the correct figure.

16. Under 112 Daily Salaries and other charges, the increase proposed is Rs 78 per annum.

17 Under Periodical, the increase proposed is only Rs 1-2-1.

18 Under Minor Masjid, the ~~stabl~~ 3 offices of Muthavallis in 3 Masjids, are proposed to be abolished, as there are ^{now} no persons holding the offices, the savings being Rs 26 per mensem, against this savings it is proposed to increase the pay of the Muthavalli of Khanadi Masjid from Rs 11 to 15/- so, the net savings is Rs. per mensem or Rs 264 per annum —

This is probably the amount to be added after deduction of Rs 1-2-1. It is already included in the account.

of pay and allowances to members of the establishment
wherever ^{necessary} by abolishing posts to, but also for the payment
of a contribution of Rs 710 to the Muzay Establishment
Fund, which has been established -

To B. Sreenivasa Iyengar, Esq., B.A., B.L.,

Secretary to the Government of His Highness

The Maharaja of Mysore, Financial Department.

Sir,

ST
12/1/27
With reference to correspondence ending with your letter No. Camp/
Muzrai Dated 12th October 1926, I have the honor to forward herewith
copy of letter No. H. 32/Ac. dated 29th November 1926, together with
its enclosures from the Deputy Commissioner Mysore District, submitting
proposals for fixing a revised scale of expenditure in the Gumbuz, ----
Masjid-i-ala and other minor Masjid at Seringapatam.

2. The detailed report drawn up by the Sub-Division Officer and the
Deputy Commissioner's letter explain fully the scope and extent of the
present proposals and deal with the merits of individual recommendations
in respect of which either an enhancement of the present allotment or
a fresh provision has been asked for.

3. I generally agree with the proposals as modified by the Deputy
Commissioner except with the provision proposed for the grant of ----
Scholarships to Mahamadan students for reasons explained in para 4----
infra.

The proposals have been further examined by me and a few minor
alterations with a view to provide for contribution to Muzrai Establish-
ment fund without in any way affecting the annual recurring surplus
have been made in the statement herewith submitted. I beg accordingly
to recommend that these proposals may be sanctioned with effect from
1st January 1927.

4. As regards the grant of scholarships to Mahomedan students, it appears to me that the provision seems inadmissible in view of the , , previous orders of Government in the matter. ~~Formerly~~ ^{formerly} there was a provision of Rs.145-8-0 a month^h for maintaining two Madrasas and --- granting scholarships and the liability of the Institution in respect of these items was waived in Government Order 1509-12/M.F. 71-18-4^x dated 13-12-1918. In view of the very large provision that has been made available for advancement of Mohomedan education in the State, there is no necessity for any provision from Gumbuz Funds.

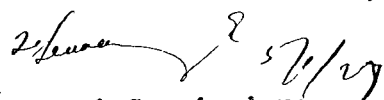

5. Provision has also been made for payment of small allowances of Rs.9⁷/₈ and 5/- to the Sar Khaji and Khaji of Mardi Mohalla, Mysore, respectively. The payment of these allowances may be considered --- personal to the present incumbents.

6. Action will be taken in consultation with the Comptroller to Government to invest in interest bearing securities , a portion of the Cash balance available at the credit of the Institution.

I have the honor to be,

Sir,

your most obedient servant,

for Muzrai Commissioner.

Letter No. H. 52/A.C. DATED 20th NOVEMBER
Commissioner, Mysore District to the Muzrai Commissioner in Mysore, - -

Revision Proposals- Gumbuz, Serinrangan - Submission of-

With reference to your letter no.C. 176 of 23-24 dated 26th July 1926 requesting me examine the existing scale of expenditure in the Gumbuz or submit definite proposals ~~xxxxxxxxxx~~ for adjusting current expenditure consequent on the transfer of garden to garden department and no.C. 806/24-25 dated 4th February 1926 requesting the submission of revision proposals in respect of Gumbuz, Mahidipal and other minor Masjid at Serinrangan, I have the honor to submit herewith the correspondence ending with the French Rocks Sub Division Officers' letter No.R.H.C.93/24-25 dated 17th April 1926 and to state as follows:-

According to the existing scale of income and expenditure sanctioned in Government Order No. 3802-24/Muz. 527-18-2 dated the 2nd June 1912, the income from all sources is shown to be Rs. 13,730-11-9. Against this the Sub Division Officer, has now estimated the income to be Rs. 14,208-15-9 the net increase being Rs. 478-4-0. In the existing scale the interest on investments is shown only as Rs.200/- but the actual realisation is Rs. 698-4-0 per annum. A note in the Remarks column against this item has been made to the effect that a portion of the Investments now held will have to be converted into cash to meet the cost of repairs to be taken up and the cost of repairs was then roughly estimated at Rs. 25,000. Subsequently, certain parts of the building were repaired and the cost was met from the Gumbuz Funds. The remaining work, if any, will be carried out and the cost will be met out of the Funds available at the credit of the Institution., Viz., Rs. 24,775-2-11 on 30th June 1926, as per Taluk Accounts. Hence the interest on investments is shown as Rs. 698-4-0 as against Rs.200/-. A sum of Rs10 being the shop tax is now omitted in the scale proposed as the Municipality claims this amount.

Expenditure.

(a) Establishment.

The existing scale under this head is Rs. 5,576/- excluding the garden establishment of Rs.708/- per annum, since transferred to garden

4

Department. The Gumbuz Committee who were consulted in the matter -- submitted a statement proposing the abolition of certain appointments the increase of pay to some others. As the increase of pay proposed the Gumbuz Committee was high, in certain cases, the Sub Division Offi has proposed slight enhancement to the officials proposed by the Commi to be retained keeping the expenditure under this head at the same fig Viz., Rs. ~~5,376/-~~ 5,376/-. I am of opinion that in certain cases high increases are necessary to provide overflow of promotion as indicated me in the Typed statement. The cost according to my proposals will b Rs. 5,668/- i.e. Rs 312/- more than the present scale, after absorbing savings resulting from the abolition of certain posts as proposed by t Committee.

(2) Gumbuz Gardens.

A sum of Rs. 1,200/- has been provided as per G.O. No. 18-21/Muz. -25-6 dated the 7th July 1926 directing the continuance of the Gumbuz gardens under Gardens Department for a period of 2 years from 11th Nov November 1926.

(3) Daily Fatehas and other Charges.

As the Nazim expressed that the contingent charges provide in the existing scale is small, an increase of Rs 78/- is proposed annually.

(4) Hotchukatle Charges.

The Nazim who was consulted in the matter is reported to have been stated that no change is necessary with regard to the existing expenditure in this respect.

(5) Minor Masjids.

The Muthavallies of 3 masjids are reported to be dead, and their pay is now brought under Savings. As directed in the remarks columns of the existing scale, the posts of the 3 Mutavallies have been abolish and the Mutavalli Of Ahmadi Masjid has been proposed to ^{manage the 4 masjids and his pay has been proposed to} be raised to Rs.15/- a month or Rs.180/- per annum, as against the existing ----- expenditure of Rs.444/- thus saving a sum of Rs 264/- under this head.

Miscellaneous. (6)

The existing scale has been adopted.

The following other items of expenditure have also to be provided in the scale:-

(a) 2 Scholarships at Rs. 10/- a month or Rs.240/- a year to two Mohamadan Students. The Committee members have resolved that the grant may be given.

(b) Allowance ~~xxx~~ To Sir Khaji of Mysore at Rs.6/- a month or Rs. 108/- annually as already recommended in my Letter No. C. 556/24-25 dz dated 13th October 1925.

(c) Allowance to Khaji Syed Ismail of Mysore at Rs.5/- a month or Rs. 60/- a year about which a recommendation has already been made in this office No.Petn. C. 110/23-24 dated the 2 nd July 1925.

The total income under the above proposals is Rs. 14,208-15-6 and the total expenditure Rs. 12,928-13-8 leaving a reserve of Rs. 1,208-2-1. This reserve is necessary to meet the heavy cost of repairs and renewals which will be frequently necessary as the perfectly neat appearance of the buildings and the steady aesthetic improvements of the grounds is very essential in the case of this unique and historical monument. I request that sanction of Government may kindly be obtained to the same. The increases of pay to the officials may kindly be given effect to from 1st July 1926.

The vernacular papers bearing on the subject accompany.

No. 1891-2—Muz. 249-26-6, DATED 31ST MARCH 1927.

Letter No. C. 780—26-27, dated Bangalore, the 4—11th January 1927, from C. S. Balasundaram Iyer, Esq., B.A., Muzrai Commissioner in Mysore, Bangalore, to B. Sreenivasa Iyengar, Esq., B.A., B.L., Secretary to the Government of His Highness the Maharaja of Mysore, Financial Department.

With reference to correspondence ending with your letter No. Camp—Muzrai, dated 12th October 1926, I have the honor to forward herewith copy of letter No. H 32—Ac., dated 29th November 1926, together with its enclosures from the Deputy Commissioner, Mysore District, submitting proposals for fixing a revised scale of expenditure in the Gumbuz, Masjid-i-ala and other minor Masjids at Seringapatam.

2 The detailed report drawn up by the Sub-Division Officer and the Deputy Commissioner's letter explain fully the scope and extent of the present proposals and deal with the merits of individual recommendation in respect of which either an enhancement of the present allotment or a fresh provision has been asked for.

3 I generally agree with the proposals as modified by the Deputy Commissioner except with the provision proposed for the grant of Scholarships to Mahomedan students for reasons explained in para 4 *infra*

The proposals have been further examined by me and a few minor alterations with a view to provide for contribution to Muzrai Establishment fund without in any way affecting the annual recurring surplus have been made in the statement herewith submitted. I beg accordingly to recommend that these proposals may be sanctioned with effect from 1st January 1927.

4. As regards the grant of scholarships to Mahomedan students, it appears to me that the provision seems inadmissible in view of the previous orders of Government in the matter. Formerly there was a provision of Rs. 143-8-0 a month for maintaining two Madrasas and granting scholarships and the liability of the Institution in respect of these items was waived in Government Order 1509-12—M. F. 71-18-4, dated 13th December 1918. In view of the very large provision that has been made available for advancement of Mahomedan education in the State, there is no necessity for any provision from Gumbuz Funds.

5. Provision has also been made for payment of small allowances of Rs. 9 and 5 to the Sir Khaji and Khaji of Mandi Mohalla, Mysore, respectively. The payment of these allowances may be considered personal to the present incumbents.

6. Action will be taken in consultation with the Comptroller to Government to invest, in interest bearing securities, a portion of the Cash balance available at the credit of the Institution.

Letter No. H 32—A. C., dated 29th November 1926, from the Deputy Commissioner, Mysore District, to the Muzrai Commissioner in Mysore, Bangalore.

Revision proposals-Gumbuz, Seringapatam—Submission of:—

With reference to your letter No. C. 176 of 23-24, dated 26th July 1924 requesting me to examine the existing scale of expenditure in the Gumbuz and submit definite proposals for adjusting current expenditure consequent on the transfer of garden to Garden Department and No. C. 900-24-25, dated 4th February 1926 requesting the submission of revision proposals in respect of Gumbuz, Masjid-i-ala and other minor Masjids at Seringapatam, I have the honor to submit herewith the correspondence ending with the French Rocks Sub-Division Officer's letter No. R. H. C. 12—24-25, dated 17th April 1926 and to state as follows:—

According to the existing scale of income and expenditure sanctioned in Government Order No. 3802-84—Muz. 587-18-2, dated the 2nd June 1919, the income from all sources is shown to be Rs. 13,730-11-9. Against this the Sub-Division Officers' has now estimated the income to be Rs. 14,208-15-9 the net increase being Rs. 478-4-0. In the existing scale the interest on investments is shown only as Rs. 200 but the actual realisation is Rs. 698-4-0 per annum. A note in the remarks column against this item has been made to the effect that a portion of the Investments now held will have to be converted into each to meet the cost of repairs to be taken up and the cost of repairs was then roughly estimated at Rs. 25,000. Subsequently, certain parts of the building were repaired and the cost was met from the Gumbuz Funds. The remaining work, if any, will be carried out and the cost will be met out of the Funds available at the credit of the Institution, viz., Rs. 24,775-2-11 on 30th June 1926, as per Taluk Accounts. Hence the interest on investments is shown as Rs. 698-4-0 as against Rs. 200. A sum of Rs. 10 being the shop tax is now omitted in the scale proposed as the Municipality claims this amount.

No. 1891-2—MUZ. 249-26-6, DATED 31ST MARCH 1927.

EXPENDITURE.

(1) *Establishment*.—The existing scale under this head is Rs. 6,084 excluding the garden establishment of Rs. 708 per annum, since transferred to garden Department. The Gumbuz Committee who were consulted in the matter submitted a statement proposing the abolition of certain appointments and the increase of pay to some others. As the increase of pay proposed by the Gumbuz Committee was high, in certain cases, the Sub-Division Officer has proposed slight enhancement to the officials proposed by the Committee to be retained keeping the expenditure under this head at the same figure *viz.*, Rs. 6,084. I am of opinion that in certain cases higher increases are necessary to provide even flow of promotion as indicated by me in the Typed statement. The cost according to my proposals will be Rs. 5,668 *i.e.*, Rs. 312 more than the present scale, after absorbing the savings resulting from the abolition of certain posts as proposed by the Committee.

(2) *Gumbuz Gardens*.—A sum of Rs. 1,200 has been provided as per G. O. No. 18-21—Muz. 299-25-6, dated the 7th July 1926, directing the continuance of the Gumbuz gardens under Gardens Department for a period of 2 years from 11th November 1926.

(3) *Daily Fatehas and other charges*.—As the Nazim expressed that the contingent charges provided in the existing scale is small, an increase of Rs. 78 is proposed annually.

(4) *Heichukatte charges*.—The Nazim who was consulted in the matter is reported to have stated that no change is necessary with regard to the existing expenditure in this respect.

(5) *Minor Masjids*.—The Muthavallies of 3 masjids are reported to be dead, and their pay is now brought under Savings. As directed in the remarks column of the existing scale, the posts of the 3 Mutavallies have been abolished and the Muthavalli of Ahamadi Masjid has been proposed to manage the 4 masjids and his pay has been proposed to be raised to Rs. 15 a month or Rs. 180 per annum, as against the existing expenditure of Rs. 444, thus saving a sum of Rs. 264 under this head.

(6) *Miscellaneous*.—The existing scale has been adopted

The following other items of expenditure have also to be provided in the scale.—

(a) Two Scholarships at Rs. 10 a month or Rs. 240 a year to two Mahomedan Students. The Committee members have resolved that the grant may be given.

(b) Allowance to Sir Khaji of Mysore, at Rs. 9 a month or Rs. 108 annually as already recommended in my Letter No. C. 556-24-25, dated 13th October 1925.

(c) Allowance to Khaji Syed Ismil of Mysore at Rs. 5 a month or Rs. 60 a year about which a recommendation has already been made in this office No. Petn. C. 110-23-24, dated the 2nd July 1925.

The total income under the above proposals is Rs. 14,208-15-9 and the total expenditure Rs. 12,928-13-8 leaving a reserve of Rs. 1,208-2-1. This reserve is necessary to meet the heavy cost of repairs and renewals which will be frequently necessary as the perfectly neat appearance of the buildings and the steady aesthetic improvements of the grounds is very essential in the case of this unique and historical monument. I request that sanction of Government may kindly be obtained to the same. The increases of pay to the officials may kindly be given effect to from 1st July 1926.

The Vernacular papers bearing on the subject accompany.
